HOWTO: Search for a Course via Catalogue Topics

SUMMARY

This document describes how users can search for a course using Catalogue categories.

INSTRUCTIONS

1. To search for courses via Catalogue categories, click on the Category link that the course relates to. For example, School Leadership courses will be under the 1. School Leadership catalogue link.

2. All courses will be displayed.

3. To refine searches to a sub category, click on the related link. For example, Forums

4. The Forums sub category list will be displayed.
Note: Courses will be displayed in both Category and Sub Category lists.
